

We are so thankful for our loyal Cruise & Croppers! You play an important roll in our business and we have enjoyed getting to know you! Have fun making your passport and be sure to post it on Social Media for your chance to win the “Post your Passport” contest. Using Instagram, use [#CruiseAndCropPassport](#) along with a photo of you holding your passport. Contest runs through December 31st of each year. Finished passports photos can be found at: www.CruiseAndCrop.com

- 1) To make your Passport Cover cut out of cardstock (solid or patterned) TWO 3.5” wide x 4” tall rectangles. The Passport should be 4” tall by 3.5” wide before you add the binding.
- 2) Glue the Cruise & Crop logo to front cover (Image 1). Glue info page to inside of the front cover (Image 2).
- 3) Make double sided copies of the inserts (page 2 of download)
- 4) Stack cover and inserts to make a booklet that looks like a Passport.
- 5) Bind the passport together with your product of choice: metal rings, plastic spiral or binding wire.
- 6) Post on Social Media for your chance to win.
